ASSASSIN!

You are Assassin, a Ninja warrior trained in the Way of the Tiger, an outstanding master of the martial arts.

After a long and dangerous journey you have successfully retrieved the Scrolls of Kintaro, guardian of the Sacred Mount of Heaven. Your god Kintaro's commendations have barely left his lips before you must face the malice of the gods of Evil, intent on preventing the Scrolls' return to their rightful place on the Island of Tranquil Dreams.

The Way of the Tiger project a role playing adventure into the future. Using the innovative scoring system, you choose the martial arts moves with which to defeat your opponents. To triumph you will need the knowledge you acquire in the course of the action.

Are you ready for the Way of the Tiger?
